BUYER BRAIN

Level 1

Businesses transition their physical processes into digital formats.

Level 2

Companies capitalize on digital processes to optimize efficiency, speed and cost saving.

Level 3

Digitization strives to drive engagement based on a deep understanding of human behavior, and heuristics.

Where are you today?

Revenue is directly proportional to the level of engagement.

- Reduction In Cost Of Sales
- High Word-of-Mouth
- Increased Wallet Share
- Retention
- Reduction in Cost of Acquisition

Engagement is emotional involvement or commitment.

It oscillates between obsessive engagement and ambiguous detachment.

© Terragni consulting (P) ltd Private and confidential not to be circulated without prior authorisation

Best-in-class UX and CX will incorporate behavioural insights that lead to revenue.

It’s not all about *AI, Technology* and *Aesthetics*.

JUMP®

The Jump Probe

A behaviour science-based remote diagnostic for digital journeys.

Goes beyond technology fixes,
beyond aesthetic fixes.

Dives deep into which behaviour heuristics and biases your journeys violate.

How can they be fixed? Peel back the layers.

What is keeping that customer from being truly engaged?

BUYER BRAIN

What You Get

Perceived Friction: No notification or prompt appears guiding about which number should be used to register.

Friction: "Why can I not explore the features with social security li number?

TERRAGNI CONSULTING

IMPACT

😟 **Outcome Impact: High commitment demand from the customer too early in the journey resulting in potential engagement drop-offs.**

💛 **Engagement Impact: The engagement is at risk here. They may procrastinate or seek alternatives.**

Inert

BUYER BRAIN

Outcome & Engagement Impact

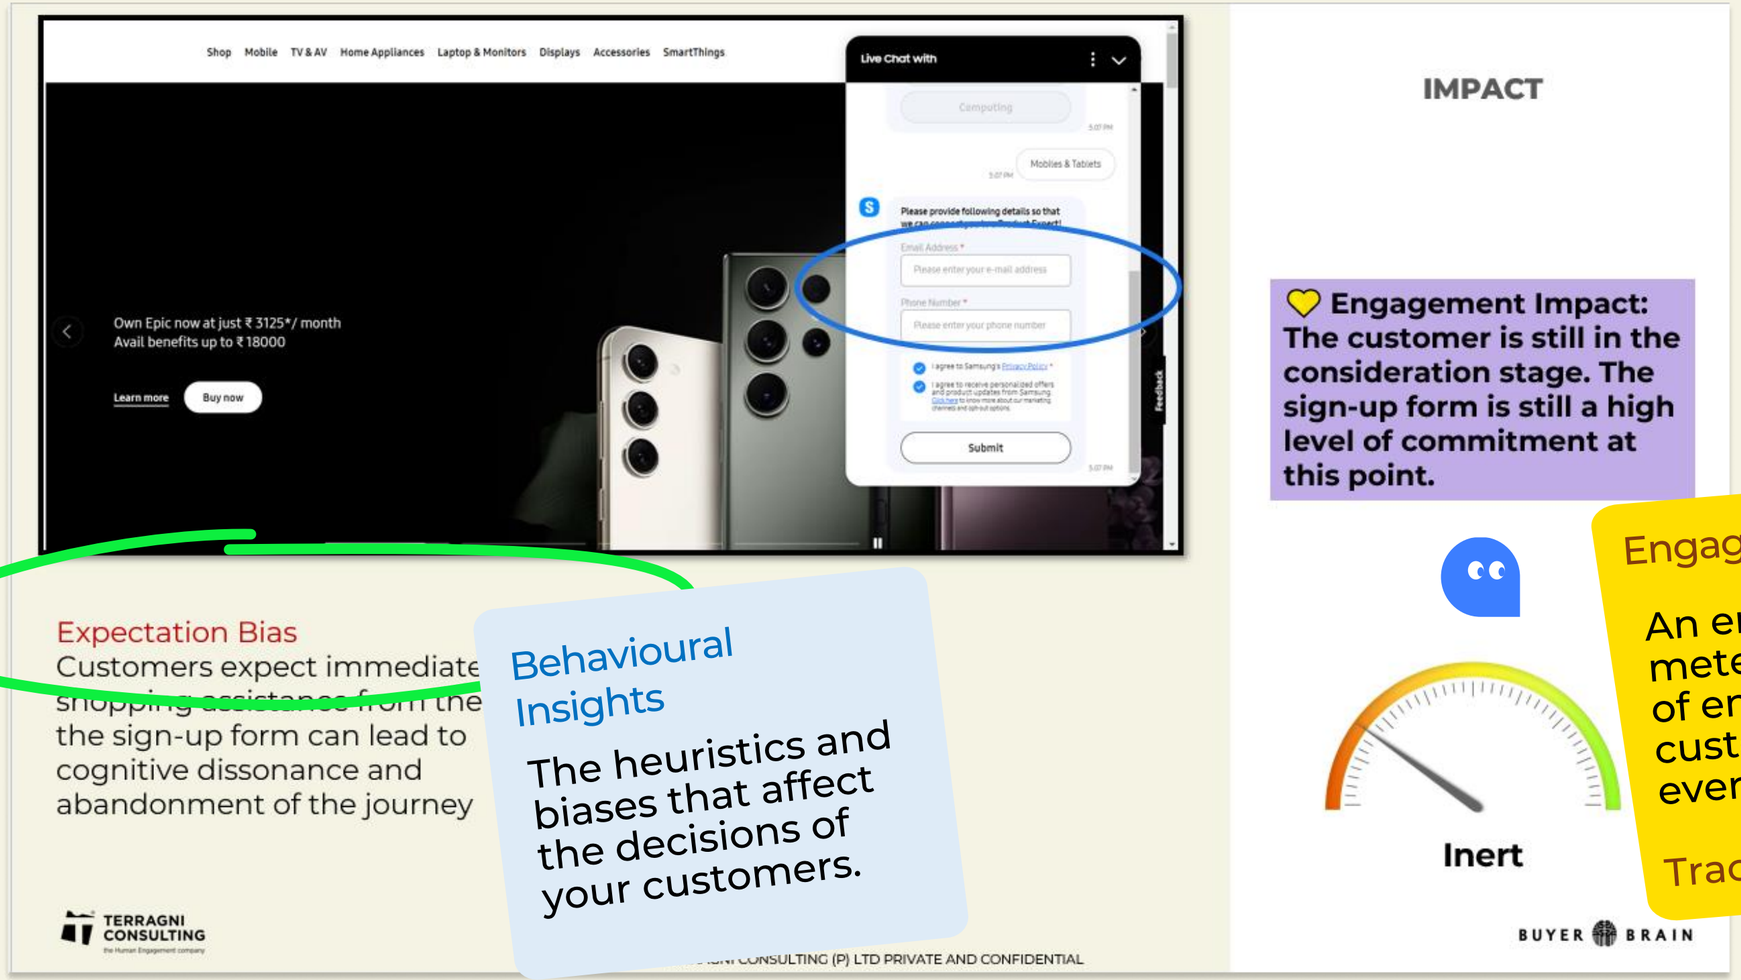

A breakdown of how each step of the journey impacts the intended outcome and engagement.

Real and Perceived Friction

What keeps customers from achieving their desired outcome = reduces engagement.

© Terragni consulting (P) ltd Private and confidential not to be circulated without prior authorisation

What You Get

Engagement Score Meter

An engagement score meter indicating the level of engagement your customer is experiencing at every phase of the journey.

Track it. Display it.
